

## Join the movement!

Life is not meant to be lived alone. In fact, God hates loneliness. You were created to experience life with other people, and that's why we encourage you to get into a small group.

A small group is a group of three or more people who gather each week in a home, workplace, or online. You will hang out, study the Word, and pray together. They come in all shapes and sizes — men, women, couples, kids, no kids, under 20, over 40 — the list goes on. No matter where you are in life, there's a group for you.

We are committed to moving you one step closer to where God wants you to be. You'll never fully experience all that Grace Pointe has to offer until you connect in a small group. If you are longing for more from your walk with Christ, then it's time to get involved in one this semester.

## WOMEN

### Stuck

Do you feel stuck? Stuck in trying to seem perfect. Stuck in sadness. Stuck pursuing more stuff to make you happy. Stuck in something you can't even name. These stuck places often go unattended and are shaping our lives more than we would like to think.

God has a plan for these broken spaces inside of us, but we have to go to Him. Stuck is a journey to take an honest look at the fight going on inside, leading us to the God who has a plan to restore it, to restore us. **Stuck** by Jennie Allen, approximately \$10

## MEN

### Play the Man: Becoming the Man God Created You to Be

Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be, confused about their roles, responsibilities, relationships, and the reason God made them men. This book study is about a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. **Play the Man** by Mark Batterson approx. \$10
