

GPC Small Groups

Life is not meant to be lived alone. In fact, God hates loneliness. You were created to experience life with other people, and that's why we encourage you to get into a small group.

A small group is a group of three or more people who gather each week in a home, workplace, or online. You will hang out, study the Word, and pray together. They come in all shapes and sizes — men, women, couples, kids, no kids, under 20, over 40 — the list goes on. No matter where you are in life, there's a group for you.

We are committed to moving you one step closer to where God wants you to be. You'll never fully experience all that Grace Pointe has to offer until you connect in a small group. If you are longing for more from your walk with Christ, then it's time to get involved in one this semester.

EVERYONE

Serving Others

Service to others doesn't HAVE to mean going to a third world country. We can all do something that makes a difference right where we are. Whether it's a commitment of time, energy or money we are called on to make a personal decision to get things started. During our time together we'll discuss how to best serve those around us, and commit to at least one service project right here in our own community. **#Serving Others #Relationships #Lifestyle**

Make Your Story Count

We're going to learn to share our story of how God is changing us, working in us and through us. We will specifically learn how to write a short testimony, tell a quick story about how God is working in our life, and also how to continually be putting out a signal to let people know we're Christians. This will challenge you to be more intentional about how you share your faith. Don't worry, we will NOT be preaching from the street corner! **#Sharing Your Faith #Relationships #Devotional Life**
